

OVAL STEP BARS

The 4" oval step bar provides a sleek look with an extra wide step area for better footing. Slip resistant step pads will not fade or crack. Applications also available for some small and mid-sized SUVs.

- Constructed from T304 stainless steel
- Black powder coated boards are constructed of Q235A steel
- Mild steel mounting brackets and hardware
- Extra large step area
- Slip resistant molded step pad
- Welded end caps
- Weight capacity of 300 lbs.
- Limited lifetime warranty on stainless steel steps
- Limited 3 year warranty on black powder coated steps
